

# GYRANDA

SANTA GERTRUDIS

## BULL ASSESSMENT DAY

The simple things to look out for in the next bull you buy. A practical cattleman's guide to structure from the feet up and how to utilise data to back up what you see.

## CHARTERS TOWERS

Dalrymple Saleyards  
9:00 am November 23

## RICHMOND

Richmond Saleyards  
10:00am November 25

### 20 QUALITY SANTA BULLS

morphology tested and with full EBV data will be available on site for delivery to Charters towers, Richmond and through to Julia Creek.

**Morning Tea and Lunch provided.** Please RSVP to Gyranda at the contacts below, to Geaney's in Charters Towers or Stockplace in Richmond.

## YOUR GUIDES

**RUSSELL GRAY**

Classifier for the Santa Gertrudis Association with over 30 years experience will talk you through the beef animal – head, shoulders feet and legs and what to look for to ensure long years of productive service from your cattle.

**TIM EMERY**

Technical Officer with Tropical Beef Technology Services (TBTS) will explore the engine room of the animal. How to interpret EBV data and BULLCHECK and how to access some freely available tools and expertise to make the process that much easier.

**PETER MAHONY**

Principal of Gyranda Santa Gertrudis Stud will expand on the dilemma of the northern cattle industry combining resilience with growth, fertility, constitution and carcase quality and how to overcome some of those age old obstacles.
